## Wall Space

Ideally your event space has a 4'x8' flat wall at the front of the room.

(NO sconces, fabric, paintings, wainscoating, etc!) Flat wall = roll paper = low cost & easy.

Usually I'm hired just for the event. I love focusing on the group, handing over my images & being done. **BUT** if you need visual support before your event or deliverables designed, I am skilled in Powerpoint, Photoshop, Illustrator, Dreamweaver & Word.
